## ELAB NEWS & SERVICES UPDATE – January 2021

- **LOCKDOWN 3.0**
- **SERVICE DATASHEETS**
- **DEVIATING SAMPLES**
- **pH HOLDING TIMES EXTENDED TO 7 DAYS**

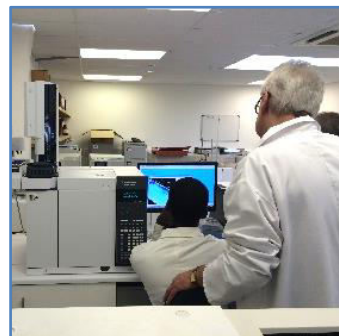

### Lockdown 3.0

**ELAB are fully operational and ready for all your work.** Another National lockdown is not the best start to the year for any of us but one we have learnt to cope with. There is light at the end of the COVID tunnel, but we have to remain vigilant until we are free of the restrictions.

During this difficult time, we are working to mitigate the effects of staff absence due to infection or self-isolation, and we are working closely with our couriers to ensure collections and deliveries remain on time.

We will inevitably have problems along the way but please bear with us as we solve these issues and provide our usual high level of service and support.

Please contact Customer Services on [cs@elab-uk.co.uk](mailto:cs@elab-uk.co.uk) or call on **01424 718618** when your samples are ready for collection.

**Organics Lab**

### SERVICE DATASHEETS

Key services provided by ELAB include [Topsoil Analysis](#), [WAC Testing](#) and [ASBESTOS](#) Identification and Quantification. We offer excellent rates and a quick turnaround from our ISO/IEC 17025 testing laboratory.

For detailed information download the leaflets below.

**Waste Classification & Acceptance**

**ASBESTOS**

**Topsoil Analysis**

sampling to testing.

For further information please contact **Mike Varley on 01424 718618** or email our Customer Services Team at [cs@elab-uk.co.uk](mailto:cs@elab-uk.co.uk).

Remember you can learn more about our range of services at any time by visiting our website at [www.elab-uk.co.uk](http://www.elab-uk.co.uk). If you need faster testing turnaround, we can offer 24hr, 48hr and 3-day testing to fast track your samples. Talk to our collection team about your testing needs.

Kind regards,

Mike Varley – Operations Manager
